Forecast for Sunday 16 Aug 2020

Weather: Cloudy with extensive hill fog through the early hours. Widespread showers are also expected, these heavy at times with a risk of thunder. Showers easing through the morning with some limited brighter spells possible into early afternoon. Turning cloudier again by the evening with widespread heavy and thundery showers spreading in from the south by the end of the day.

Chance of cloud free mountain/hill tops above 600m: 0% through the morning with bases widely down to 400m, occasionally down to 200m in the heavier showers.

Visibility: Generally poor, with the rain making even nearby ridges difficult to see.
